

OAKDALE TECHNICAL SERVICES LIMITED

Labourer/Driver

Oakdale Technical Services Limited are seeking a hardworking individual to join the team as a **Labourer/Driver**.

Salary:

£11.00ph, daily overtime available and will be required at times. Full-time (40 hours), permanent contract directly with us.

About us:

Oakdale Technical Services Limited, established in 2001, is a family-run company that specialise in shop fitting and maintenance. We have established contracts throughout the country, including our biggest to date – Greggs PLC. We have a fully bespoke, modern, and practical workshop where we provide bespoke joinery solutions to an array of Clients. Our team is growing, so if this sounds like the role for you then look no further!

The benefits of working with us:

- ✓ Company pension scheme on qualifying earnings.
- ✓ Reward & Recognition scheme, as well as other benefit schemes.
- ✓ 28 days holiday (including bank holidays) + 1 day for your birthday – all paid!
- ✓ Tools, equipment, uniform, and PPE provided.
- ✓ Training provided where required and towards relevant qualifications – free of charge.
- ✓ Free access to our Employee Assistance Programme.
- ✓ Trade price discounts from our builders merchants!

What we are looking for:

- A hardworking 'can-do' attitude to all aspects of work.
- Communication skills and punctuality.
- Ability to use own initiative and problem solve.
- Forklift Truck License to RTITB accreditation (advantageous but not essential).
- Full UK Manual Driver's License (essential).

The role will include (but is not limited to):

- Accepting site deliveries and delivering materials to site, and between sites frequently.
- Assisting the team with strip outs.

OAKDALE TECHNICAL SERVICES LIMITED

- Assisting the team with framing and boarding and other general construction activities such as pest proofing etc.
- Maintaining a safe and clean working environment, whilst ensuring all tasks are carried out in a safe and efficient manner.
- Loading/unloading materials from vans.
- Other general trade activities (within ability) may be required here and there.
- You will work alongside other employees and contractors to ensure a seamless service is provided, within the time scales set out.
- Working to tight deadlines to ensure projects milestones are met.
- Gathering materials from our merchants and yard and delivering to site.
- Quality and new stock checking.

About the role:

There is opportunity to learn the trade for the right individual and progress within the Company.

Due to the nature of the business, this role will mainly involve site work nationwide – mainly covering the South West region. The successful candidate will need to be willing to travel on a daily basis and opt out of our 48 hour week. Transport between sites is via a Company vehicle.

If you think you may be suitable for the job, please attach your CV when applying.

We look forward to receiving your applications.
